In the background, a city skyline is visible, with several buildings highlighted by white rectangular outlines. The overall color palette is a mix of dark blues and light blues, creating a professional and modern aesthetic.

# Investments and performance of the funds managed by Amundi-Acba

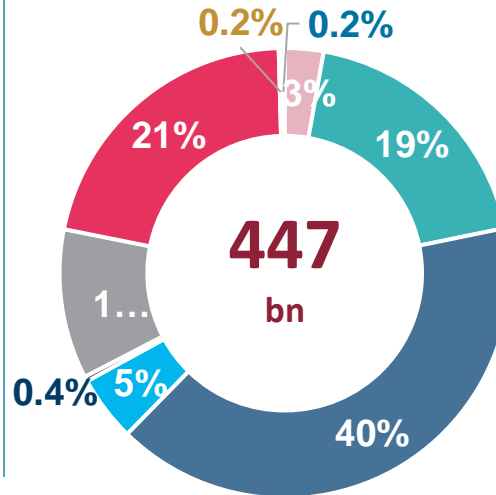

March 2024

The AUM of Balanced (AMBAL), Conservative (AMCON) and Fixed Income (AMFIX) funds managed by Amundi-Acba amounted more than 457 billion AMD as of March 31, 2024. These funds are invested in various asset classes in the proportions shown below:

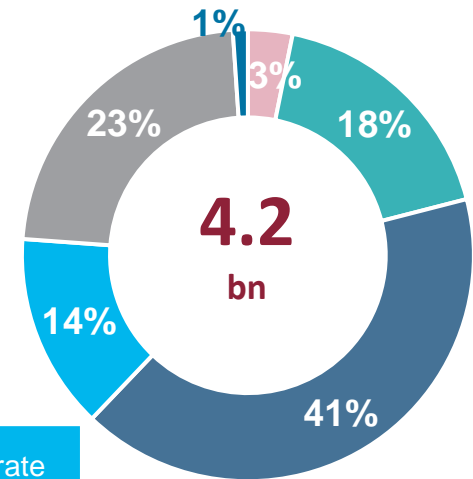

### Balanced fund (AMBAL)

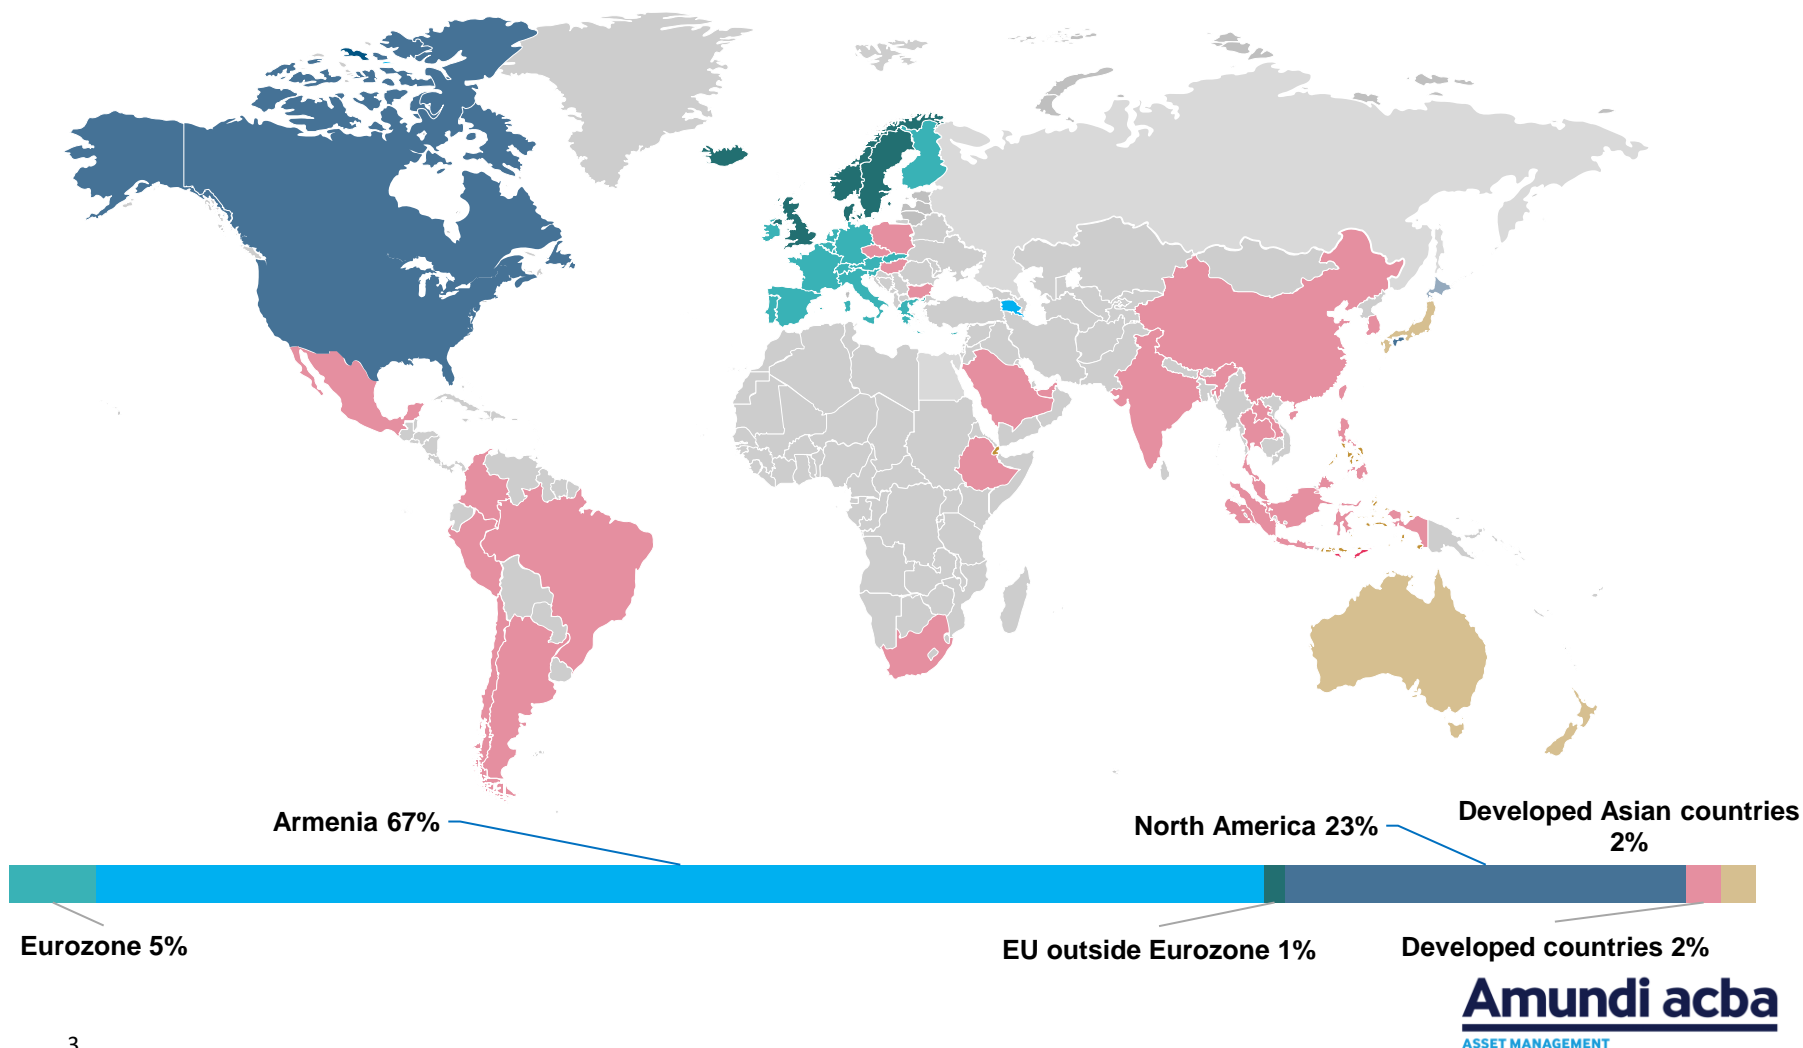

### Conservative fund (AMCON)

### Fixed income fund (AMFIX)

These funds are invested both in Armenia and abroad and include direct and indirect investments in securities issued by various states and numerous companies. The geographical map of investments is presented below:

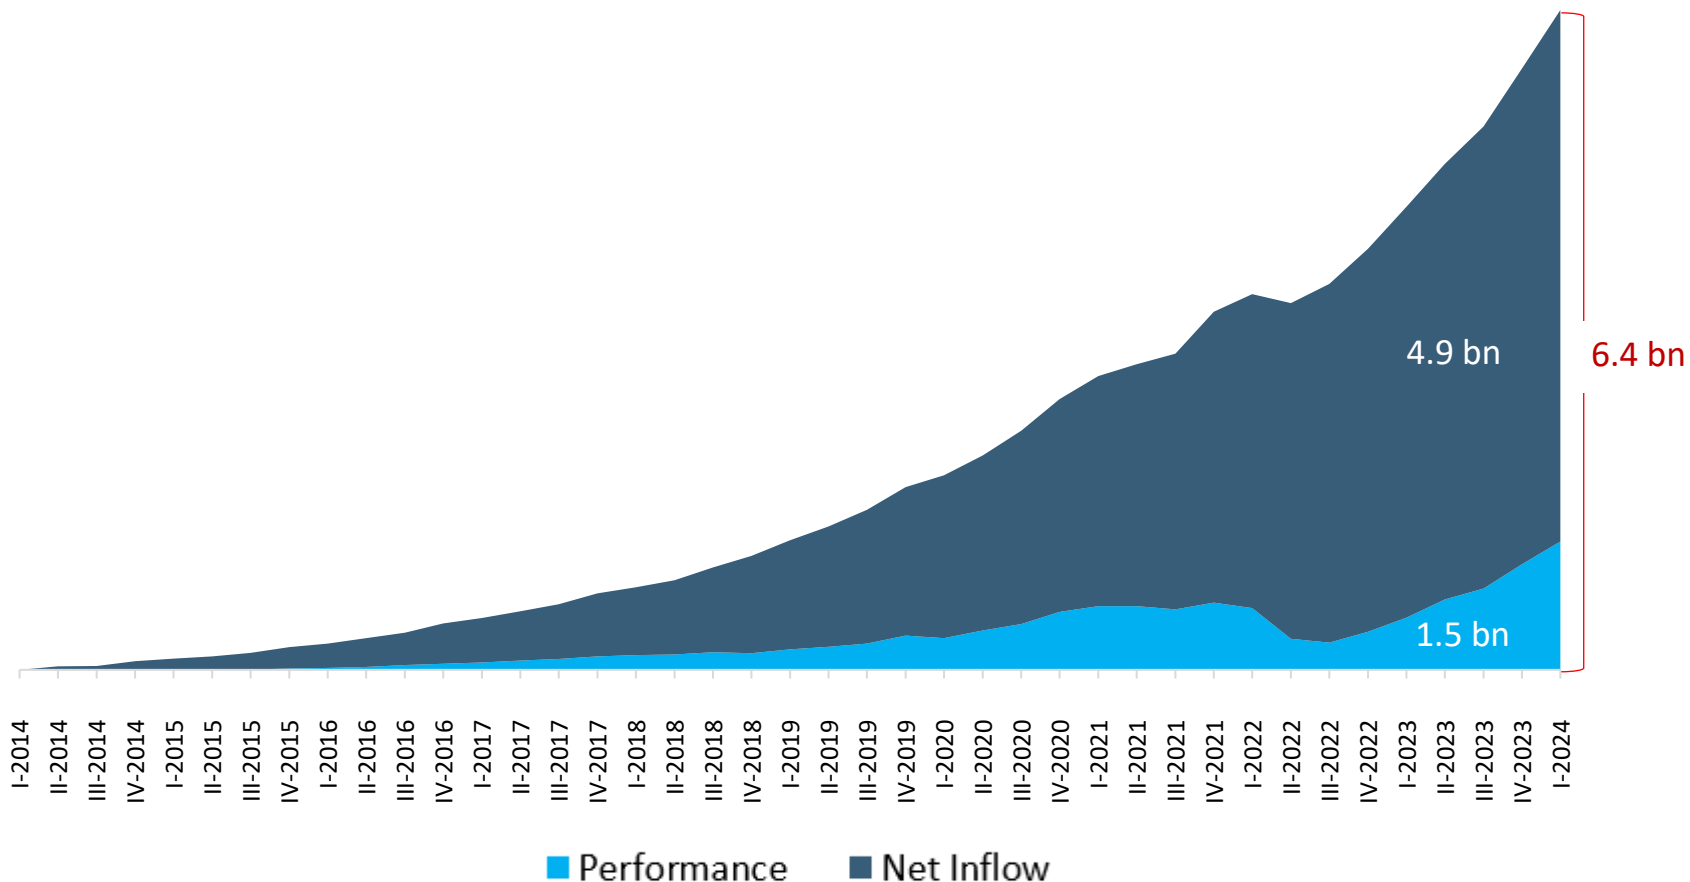

The average annual performance since the inception of the funds was 7.2%-7.8% as of 1<sup>st</sup> quarter of 2024. The performance indicators for Q1 2024 are presented in the table below:

Fund	Average annual since inception	1 <sup>st</sup> Quarter of 2024
Balanced (AMBAL)	7.8%	3.8%
Conservative (AMCON)	7.6%	3.7%
Fixed income (AMFIX)	7.2%	2.7%

In the 1st quarter of 2024, the positive performance of the three funds managed by Amundi-Acba was mainly due to the rise of local bonds and foreign equity prices.

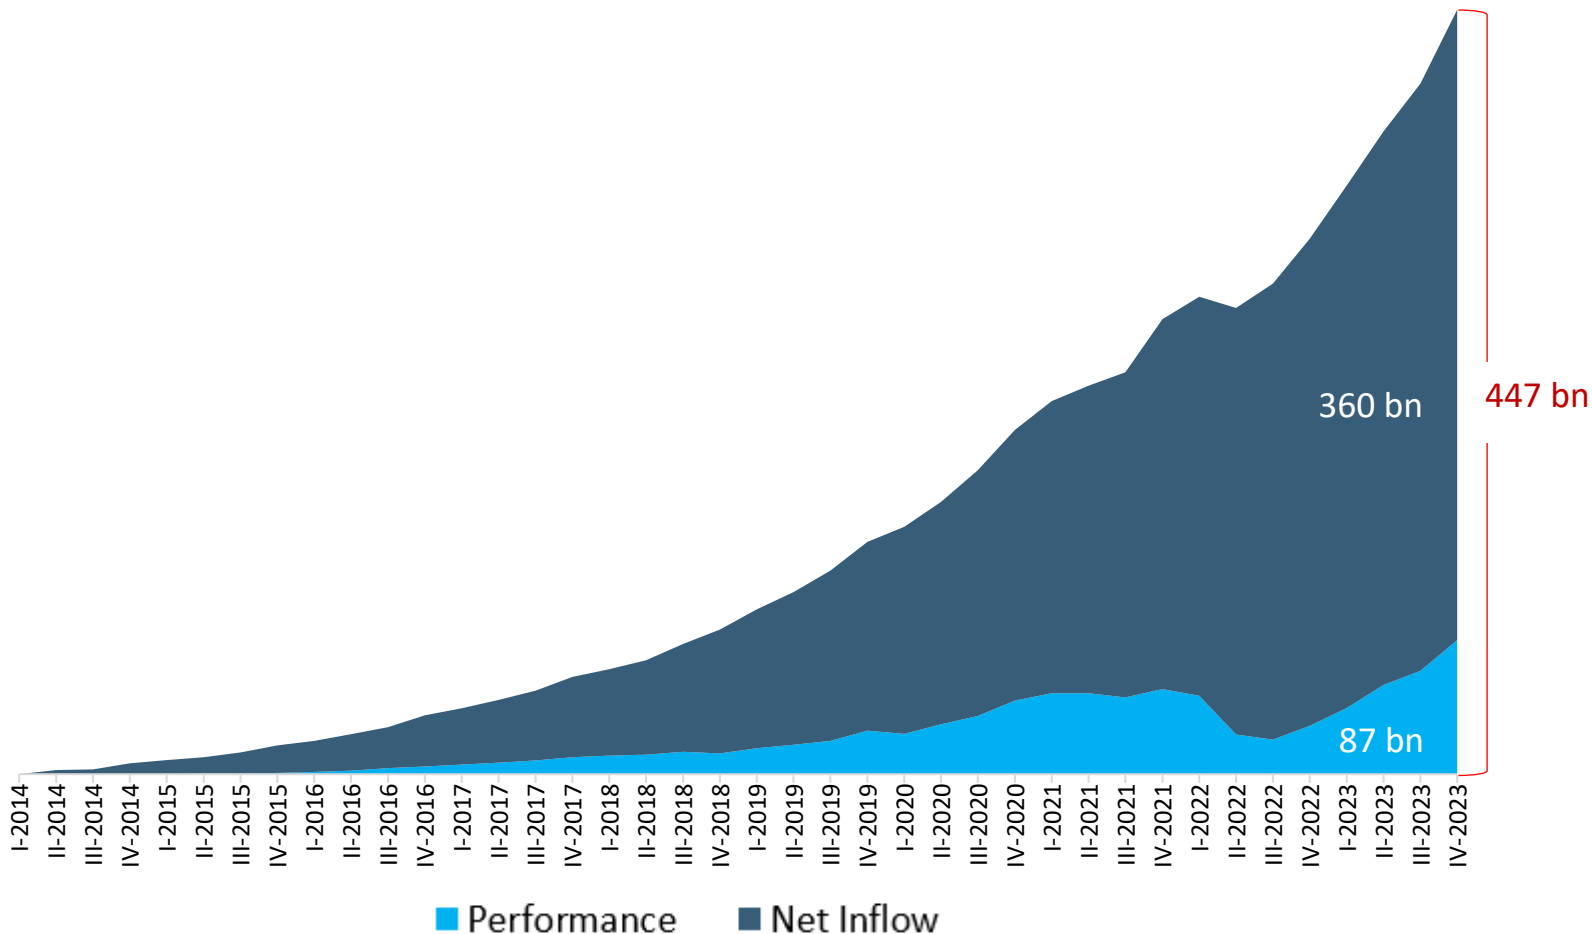

## Balanced fund (AMBAL)

If we convert the performance recorded since the inception of the funds managed by Amundi-Acba into monetary terms, as of the end of March, 2024, for Balanced fund it will amount to about 1.5 billion AMD or about 24% of the fund's net assets.

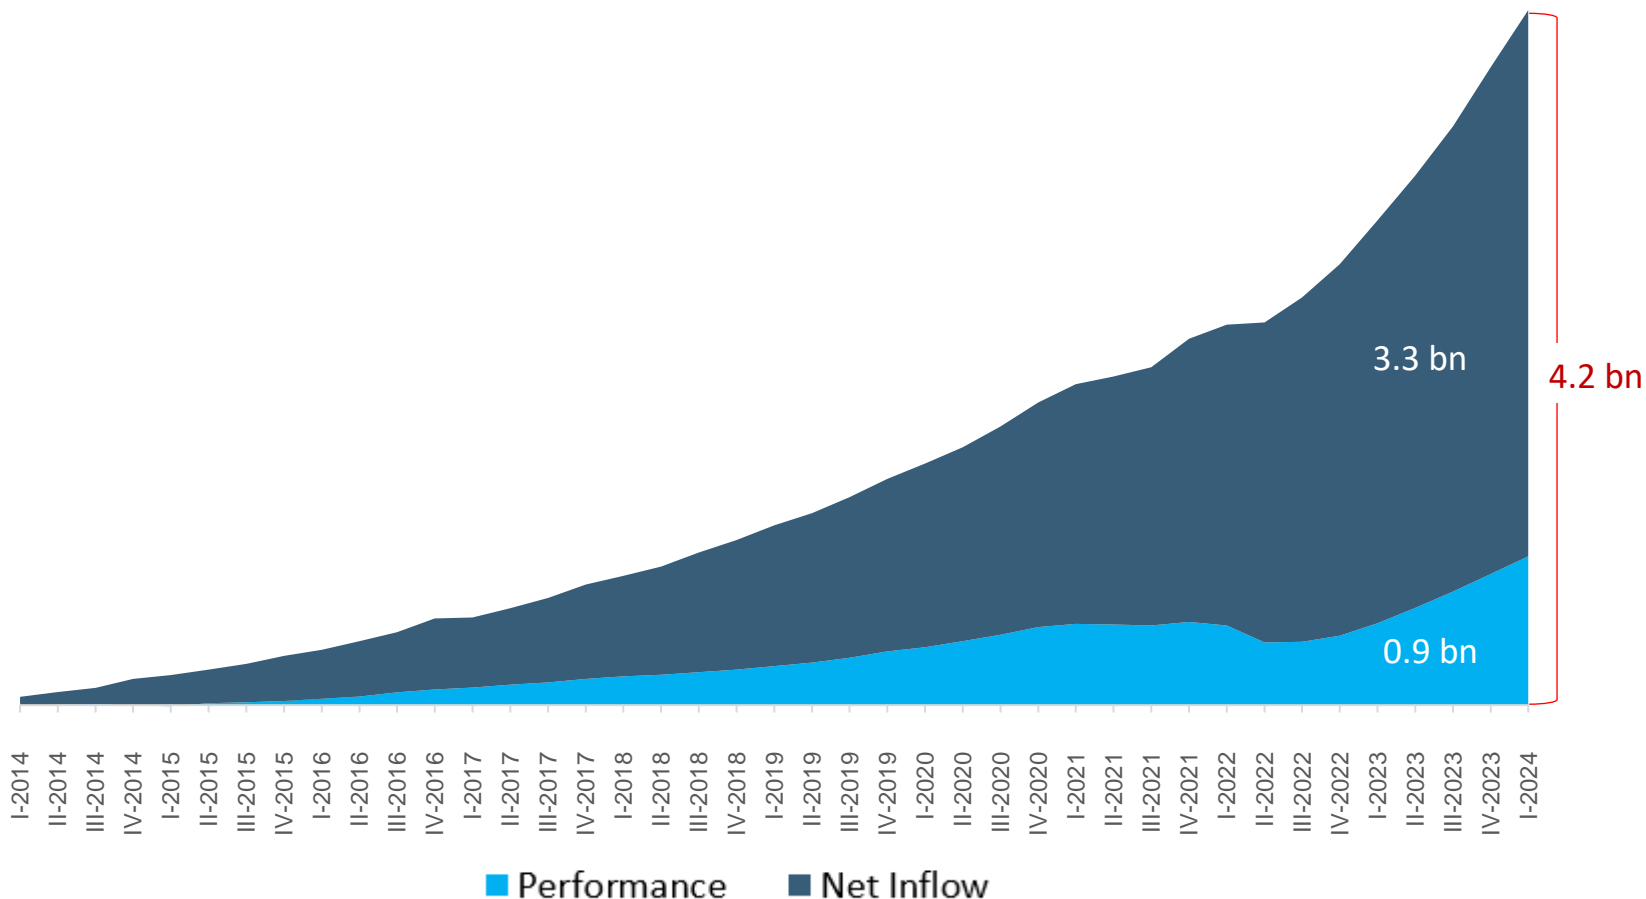

## Conservative fund (AMCON)

For the conservative fund, around 87 billion AMD, out of the net assets of around 447 billion AMD, was generated from the income secured as a result of management, and 360 billion AMD was generated from pension fund contributions.

## Fixed income fund (AMFIX)

Around 900 million AMD from more than 4 billion AMD net assets of the Fixed income fund (more than 21% of the fund's net assets) was generated from the income secured as a result of management.
